The Friends of the Library is a non-profit, all volunteer organization dedicated to the advancement of the Erie County Public Library.

The members of the Friends of the Library raise funds to provide classes and programs and meet other needs of the library.

This is done through ongoing operation of the Bayfront Bookshelf, the Great American Book Sale, smaller book sales throughout the year and special events.

The Friends request funds from the community during "Erie Gives Day."

The Friends of the Library make a difference in our community and so will your membership.

Consider becoming a Friend today!

Membership is open to all.
